Dear Friends of the Cottonwood County Fair,

Mark your calendars for the 143rd Cottonwood County Fair, happening August 7-10, 2024! This year we are striving to provide our fairgoers a diverse experience with agriculture, education, and entertainment. Each day will be full of educational opportunities and entertainment for all to enjoy.

We hope you will join us in our efforts to make this year's Cottonwood County Fair one of our best yet. Your contribution to our organization will go directly toward the expenses involved in making the fair a success. Please take a look at our new sponsorship opportunities with even more perks for your business to redeem.

Have goods or services to offer in exchange? Let us know! We are interested in working with you if the goods or services can be used to enhance our event.

When considering one of our limited sponsorship levels, last year's sponsors will have priority until April 15th. We appreciate any level of support that you can provide to our organization and will thank you accordingly.

See You at the Fair!
